AMAT Induction Guideline

❖ Laptop Collection & Configuration:

- Once the AMAT team raises a laptop request and it is approved by the manager, the respective recruiter will notify you to collect the laptop from the AMAT office.
- Upon confirmation from the TA team, employees will visit the AMAT office:
 - Innovator-9th Floor, ITPL, Whitefield
- At the reception, you will be asked for your PSID (AMAT ID), which will be communicated to you by your recruiter or Account Manager. Inform the receptionist that you are there to collect a laptop.
- The receptionist will notify the IT Team, after which someone will guide you and assist with laptop configuration.
- Once you have collected and configured the laptop, you are advised to connect with your manager directly or via Teams/Outlook to gain tool access and begin working.

❖ Please contact the respective delivery manager for better understanding. It will be updated by the Account Management team.

❖ For the **AMAT ID Card**, you must visit Suganthi Devarajan on the 2nd Floor, Explorer Building.

❖ It is advised to go through AMAT Website to understand them better- <https://www.appliedmaterials.com/> .

❖ You must join the WhatsApp GyanSys AMAT Team through the below link-

- <https://chat.whatsapp.com/KgtLlgY4ph5GeLgCgyy0tB>

❖ You must attend SIPS Training as a part of onboarding (Safety, Intellectual Property and Security Awareness Induction)

*(Invite will be sent by Suganthi Devarajan/Shilpi Routray).

❖ Parking Details:

If you choose to use parking, please visit the 2nd floor of Explorer Building. You will need to pay for the parking and then submit it for reimbursement to the expenses section on Replicon.

- Visit the Explorer building on the 2nd floor, request a parking receipt, and complete the required form.

- Proceed to the pass office located behind the Innovator building and confirm with any security personnel.
- Pay the 3-month parking fee at the pass office and collect the receipt.
- The parking record will be updated, allowing parking access starting the next day.
- Upload the receipt to the Replicon expense tracker for reimbursement.

❖ **GyanSys Timesheets – Replicon**

Replicon credentials will be sent by the Account Management Team.

❖ **In case of any issue, your POC from GyanSys:**
