Subject: Resignation

Hello Dharmesh

I am submitting my resignation from the position of **Principal Consultant** at GyanSys, with my last working day **6th October 2025**.

I have enjoyed working with the team on various client, technologies like .Net, backend technology and database optimization projects and much more, and I'm thankful for the professional development and support I've received during my 16-year career here.

Please let me know how I can help during the transition period to ensure a smooth handover of my responsibilities.

Thank you once again for the opportunity. I wish Gyansys continued success.

Thanks & Regards,
Khalid Akhter
